

Traffic Operational Improvement Project Application Jackson MPO Surface Transportation Program

The following information must be completed for all **Traffic Operational Improvement** proposed Jackson MPO STP projects. MPO staff will use the information contained in the project application to assign points to proposed projects based on the Project Submittal Guidelines. The establishment of project eligibility and each project score will then be used by the Intermodal Technical Committee and the Metropolitan Planning Policy Committee to program projects to be funded with Jackson MPO STP funds. A separate application must be submitted for each type of project. For example, do not combine traffic signal improvements for multiple streets in one project.
