Mississippi Long-Range Transportation Meeting in Jackson Postponed

- WHO/WHERE:** The Mississippi Department of Transportation (MDOT) and the Jackson Metropolitan Planning Organization (MPO) are postponing a meeting on Mississippi's long-range transportation plan known as MULTIPLAN 2040 scheduled today from 4 – 6 p.m. at the Central Mississippi Planning & Development District Office, 1170 Lakeland Drive, Jackson. The meeting will be rescheduled at a later date.
- WHY:** Due to winter weather.
- WHAT:** MULTIPLAN 2040 is a partnership with MDOT and the MPOs to help ensure that urban and rural transportation needs are addressed in a comprehensive manner statewide. In addition to face-to-face meetings in locations across the state, the partnership has launched mississippitransportationplan.mindmixer.com. The site provides citizens with a new way to connect and communicate their thoughts with transportation decision makers and other citizens about Mississippi's long-range transportation plan.
- WHEN:** Thursday, March 5, 2015
